Our Mission

Face Forward International's mission is to provide emotional support and reconstructive surgery for women, children and men who have been victims of **Domestic Violence, Human Trafficking or any Cruel Acts of Crime.**

Our Vision

We seek to provide survivors of violence from around the world with the tools necessary to help heal their internal and external scars, enabling them to build confidence toward a new beginning.

Our Why....

- An act of violence occurs **every 15 seconds** in the United States, translating to over **2.5 million victims per year.**
- Human Trafficking is a **\$150 billion industry** worldwide.
- **1 in 3 Women and 1 in 4 Men** globally have been victims of intimate partner violence.
- 1 out of 5 endangered runaways who reported to the National Center for Missing and Exploited Children were likely child sex trafficking victims. Of those, **74% of these children were in the care of social services or foster care when they ran away.**

"You can see how much you all changed my life. A lot more smiles and a lot more strength. No matter what happens in my life now, I have courage to stand tall and get through it. I KNOW I have wonderful people by my side. THANK YOU!"

Donna, California Domestic Violence Survivor

"I was very relieved and happy when Face Forward came into my life and gave me another smile. I am lucky to have my teeth again and am joyful to have you in my life. Thank you and God bless you."

Nicodemus, Kenya Orphan, violently attacked by two of his teachers

"Face Forward has given me the ability to spend more time with my family enjoying the things we love. Without Face Forward's help, I physically just couldn't do so many things., even the simple things like being in the sun. The improvement in my aesthetics is an absolute godsend, however the ability to spend more time with my wife and two young sons being a family that isn't held back by the atrocities of an acid attack is absolutely priceless."

Andreas, UK Acid Attack Survivor

"I feel I am brave enough to shine the light of truth on the dark reality of sex trafficking. I desire to be a warrior for love and a warrior for freedom. A special thanks to Face Forward for stretching and extending their kindness in my direction. I will pay it forward."

Toshia, Arizona Trafficking Survivor

Together Changing Lives...One Survivor At A Time

Face Forward CEO/Founder Deborah Alessi visits with charity partner Scott Neeson at Cambodian Children's Fund meeting mother and daughter acid attack survivors Malita and Chenda for the first time before they traveled to L.A. for surgical care.

Face Forward International has provided surgical services to survivors of violence from 14 different countries around the globe and growing. All patients are currently flown to Los Angeles to receive their surgical care.

Transforming Survivors with Life Changing Surgeries

We have assembled an Advisory Board of Physicians who donate their time and services to help provide much need surgical assistance to those who cannot otherwise afford it. Their areas of specialization include but are not limited to:

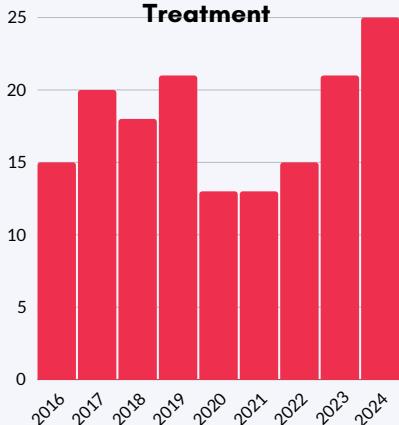

- Plastic and Reconstructive Surgery (Face and Body)
- Dental (Cosmetic/Surgical/Orthodontic)
- Ocular (Optometry/Oculoplastics/Surgical)
- Dermatology (Scar Revisions/Tattoo Removal)
- Orthotics/Prosthetics
- Psychology
- Internal Medicine and others based on patient needs

In addition to surgery, we provide the patient airfare, accommodations, transportation, prescriptions, nursing aftercare and more.

Our Growth and Future

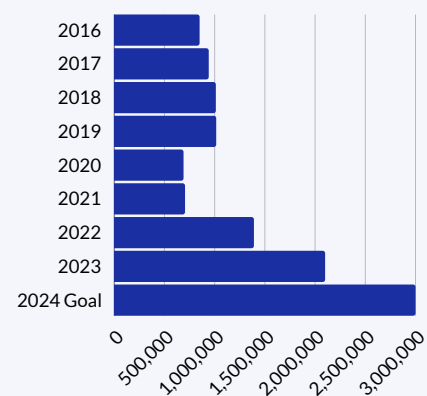

Number of Patients Receiving Surgical Treatment

Since its inception in 2007:

- Face Forward International has provided millions of dollars in direct care medical services to hundreds of survivors from around the globe through our incredible network of surgery and therapy providers.
- Indirect efforts raising awareness, education, outreach, networking and referrals have reached millions more globally and continue to grow each year.
